My name is **Josh Biggs**, and I am a CERTIFIED FINANCIAL PLANNER™ professional who can help you craft a customized strategy tailored toward your financial goals and objectives. As an advisor, I will work with you to consider today and prepare for tomorrow by developing a plan of action designed to take you to and through retirement. I have more than a decade of experience working with ministers, executive leaders and other professionals — having served at GuideStone® since 2008.

I have Bachelor of Business Administration degrees in both financial services & planning as well as entrepreneurship from Baylor University. Before joining GuideStone, I worked as a paraplanner at an independent financial advisory firm in Dallas, Texas. My wife, Laura, and I have a daughter, Olivia, and a son, Noah, and we enjoy family game nights, family movie nights and annual trips to Ocean City, Maryland.

I am passionate about helping you — as a GuideStone client — honor the Lord with your resources and assets in the same way you serve Him with your life and ministry.

So how can I serve you? Please reach out to me at the contact information listed above. I look forward to working with you.
