My name is **Michael Gladwin**, and I am a CERTIFIED FINANCIAL PLANNER™ professional with GuideStone®. I am honored to be a part of the GuideStone team where I can leverage my years of planning experience to serve those who serve the Lord.

Regardless of the resources the Lord has entrusted to you, I will come alongside you and help steward them wisely.

I am originally from Omaha, Nebraska, and moved to Dallas in 1995 after graduating with a Bachelor of Business Administration degree from The University of Oklahoma.

Prior to joining GuideStone, I retired from the U.S. Air Force Reserves where I proudly served our country as an aircraft engine technician at Tinker Air Force Base, Oklahoma. My financial services career began in 2007, and I previously worked for both USAA and Charles Schwab. I am the proud father of twin girls, Abigail and Hannah. In my free time, I enjoy spending quality time with friends and family as well as snow skiing in the Colorado mountains.

How can I serve you and your family? Please reach out to me at the contact information above. I look forward to helping you achieve your financial goals.
