My name is **Taylor Fazand**, and I am a CERTIFIED FINANCIAL PLANNER™ with GuideStone®. My goal is to help you reach your financial objectives by providing a customized plan tailored to your needs and preferences. At GuideStone, we know that everyone has a unique opportunity to steward their finances wisely, and my job is to come alongside you through this journey. With an optimal investment strategy in place, I focus on building a retirement plan that works for you.

I hold a Bachelor of Business Administration in management and an MBA in finance – both from Dallas Baptist University. I am also a Chartered Retirement Planning CounselorSM and CERTIFIED FINANCIAL PLANNER™. I have had the opportunity to serve at GuideStone since 2013.

Outside of work I'm blessed to be a husband to my beautiful wife, Grace, and Dad to Finley and Ryder. These two roles bring me the greatest joy in life and they help me live out my favorite verse, John 10:10, when Jesus said: "The thief comes only to steal and kill and destroy; I came so that they would have life, and have it abundantly." Away from work, we enjoy traveling and going on adventures as a family.

I know GuideStone clients work hard to honor the Lord with their resources and help those in need. And I want to help you make money management decisions as you continue to faithfully serve and steward what God has given you, planning for your financial future.

So how can I serve you? Please reach out to me at the contact information listed above. I look forward to working with you.
