The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.guidestone.org/PlanBooklets. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-network: \$2,000 Individual / \$4,000 Family. Out-of-network: \$4,000 Individual / \$8,000 Family.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Preventive care, prescription benefits, certain office visits (please see the appropriate plan booklet for details), and insulin are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductible</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For <u>network providers:</u> \$5,750 Individual / \$11,500 Family; for <u>out-of-network providers:</u> \$24,000 Individual / \$28,000 Family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. <u>Premiums</u> , <u>balance-billing</u> charges, health care this <u>plan</u> doesn't cover, and penalties do not count toward the <u>out-of-pocket</u> limit.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance billed charges, costs of health care drugs this plan doesn't cover, and out-of-network copayments.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="https://www.myhighmark.com">www.myhighmark.com</a> or call 1-866-472-0924 between 8AM-8PM EST for a list of participating providers.	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays <u>(balance billing)</u> .
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
