

# Care Today Plan

Effective January 1, 2023

GuideStone's Medicare-coordinating plans include medical and Part D benefits. Part D benefits will be managed by Express Scripts. If you are currently enrolled in a Medicare supplement plan that includes a Part D benefit or a Part D stand-alone Prescription Drug Plan (PDP), it is your responsibility to verify that you are eligible to disenroll from that plan and enroll in a new plan at this time.
